

In Memoriam
William J. McCarthy
November 4, 1925 - January 8, 2005

Mini Reflections mourns the loss of charter member, Bill McCarthy, who passed away Saturday, January 8, 2005. Bill and his wife Marilyn have been members of Mini Reflections Miniature Club since its creation in 1991, attending the organizational meeting in Mooresville in June, 1991. From the outset Bill was an enthusiastic champion of our projects, resident architect, builder, designer, engineer, wood carver. He shared his woodcarving skills with us in wonderful little gifts, sometimes as part of our Christmas exchange and sometimes just because. Both he and Marilyn taught workshops for the club and were sure to exhibit their projects at the Southern Christmas Show's Enchanted Village. They were there for exhibits at the Mooresville Artists Guild and at the museum in Statesville. He was a constant presence at our state days, our exhibits, and certainly at our meetings. He has been a wonderful and loyal friend. God bless you, Bill. We'll miss you.
